United States Code Title 25, chapter 19, subchapter II
PL 96-420, 94 Stat 1785

Cite as: 25 USC 1721-1735

Sec. 1721. Congressional findings and declaration of policy

(a) Findings and declarations

Congress hereby finds and declares that:

(1) The Passamaquoddy Tribe, the Penobscot Nation, and the Maliseet Tribe are asserting claims for possession of lands within the State of Maine and for damages on the ground that the lands in question were originally transferred in violation of law, including, but without limitation, the Trade and Intercourse Act of 1790 (1 Stat. 137), or subsequent reenactments or versions thereof.

(2) The Indians, Indian nations, and tribes and bands of Indians, other than the Passamaquoddy Tribe, the Penobscot Nation, and the Houlton Band of Maliseet Indians, that once may have held aboriginal title to lands within the State of Maine long ago abandoned their aboriginal holdings.

(3) The Penobscot Nation, as represented as of the time of passage of this subchapter by the Penobscot Nation's Governor and Council, is the sole successor in interest to the aboriginal entity generally known as the Penobscot Nation which years ago claimed aboriginal title to certain lands in the State of Maine.

(4) The Passamaquoddy Tribe, as represented as of the time of passage of this subchapter by the Joint Tribal Council of the Passamaquoddy Tribe, is the sole successor in interest to the aboriginal entity generally known as the Passamaquoddy Tribe which years ago claimed aboriginal title to certain lands in the State of Maine.

(5) The Houlton Band of Maliseet Indians, as represented as of the time of passage of this subchapter by the Houlton Band Council, is the sole successor in interest, as to lands within the United States, to the aboriginal entity generally known as the Maliseet Tribe which years ago claimed aboriginal title to certain lands in the State of Maine.

(6) Substantial economic and social hardship to a large number of landowners, citizens, and communities in the State of Maine, and therefore to the economy of the State of Maine as a whole, will result if the aforementioned claims are not resolved promptly.

(7) This subchapter represents a good faith effort on the part

of Congress to provide the Passamaquoddy Tribe, the Penobscot Nation, and the Houlton Band of Maliseet Indians with a fair and just settlement of their land claims. In the absence of congressional action, these land claims would be pursued through the courts, a process which in all likelihood would consume many years and thereby promote hostility and uncertainty in the State of Maine to the ultimate detriment of the Passamaquoddy Tribe, the Penobscot Nation, the Houlton Band of Maliseet Indians, their members, and all other citizens of the State of Maine.

(8) The State of Maine, with the agreement of the Passamaquoddy Tribe and the Penobscot Nation, has enacted legislation defining the relationship between the Passamaquoddy Tribe, the Penobscot Nation, and their members, and the State of Maine.

(9) Since 1820, the State of Maine has provided special services to the Indians residing within its borders, including the members of the Passamaquoddy Tribe, the Penobscot Nation, and the Houlton Band of Maliseet Indians. During this same period, the United States provided few special services to the respective tribe, nation, or band, and repeatedly denied that it had jurisdiction over or responsibility for the said tribe, nation, and band. In view of this provision of special services by the State of Maine, requiring substantial expenditures by the State of Maine and made by the State of Maine without being required to do so by Federal law, it is the intent of Congress that the State of Maine not be required further to contribute directly to this claims settlement.

(b) Purposes

It is the purpose of this subchapter--

(1) to remove the cloud on the titles to land in the State of Maine resulting from Indian claims;

(2) to clarify the status of other land and natural resources in the State of Maine;

(3) to ratify the Maine Implementing Act, which defines the relationship between the State of Maine and the Passamaquoddy Tribe, and the Penobscot Nation, and

(4) to confirm that all other Indians, Indian nations and tribes and bands of Indians now or hereafter existing or recognized in the State of Maine are and shall be subject to all laws of the State of Maine, as provided herein.

(b) Apportionment of settlement fund; administration; investments; limitation on distributions; quarterly investment income payments; expenditures for aged members; cessation of trust responsibility following Federal payments

(1) One-half of the principal of the settlement fund shall be held in trust by the Secretary for the benefit of the Passamaquoddy Tribe, and the other half of the settlement fund shall be held in trust for the benefit of the Penobscot Nation. Each portion of the settlement fund shall be administered by the Secretary in accordance with reasonable terms established by the Passamaquoddy Tribe or the Penobscot Nation, respectively, and agreed to by the Secretary: Provided, That the Secretary may not agree to terms which provide for investment of the settlement fund in a manner not in accordance with section 162a of this title, unless the respective tribe or nation first submits a specific waiver of liability on the part of the United States for any loss which may result from such an investment: Provided, further, That until such terms have been agreed upon, the Secretary shall fix the terms for the

administration of the portion of the settlement fund as to which there is no agreement.

(2) Under no circumstances shall any part of the principal of the settlement fund be distributed to either the Passamaquoddy Tribe or the Penobscot Nation, or to any member of either tribe or nation: Provided, however, That nothing herein shall prevent the Secretary from investing the principal of said fund in accordance with paragraph (1) of this subsection.

The Passamaquoddy Tribe and the Penobscot Nation annually shall each expend the income from \$1,000,000 of their portion of the settlement fund for the benefit of their respective members who are over the age of sixty. Once payments under this paragraph have been made to the tribe or nation, the United States shall have no further trust responsibility to the tribe or nation or their members with respect to the sums paid, any subsequent distribution of these sums, or any property or services purchased therewith.

(c) Establishment of Maine Indian Claims Land Acquisition Fund; amount

There is hereby established in the United States Treasury a fund to be known as the Maine Indian Claims Land Acquisition Fund in which \$54,500,000 shall be deposited following the appropriation of sums authorized by section 1733 of this title.

the affected tribe, nation or band, the principal and any income accruing to the respective portions of the land acquisition fund for the purpose of acquiring land or natural resources for the Passamaquoddy Tribe, the Penobscot Nation, and the Houlton Band of Maliseet Indians and for no other purpose. The first 150,000 acres of land or natural resources acquired for the Passamaquoddy Tribe and the first 150,000 acres acquired for the Penobscot Nation within the area described in the Maine Implementing Act as eligible to be included within the Passamaquoddy Indian Territory and the Penobscot Indian Territory shall be held in trust by the United States for the benefit of the respective tribe or nation. The Secretary is also authorized to take in trust for the Passamaquoddy Tribe or the Penobscot Nation any land or natural resources acquired within the aforesaid area by purchase, gift, or exchange by such tribe or nation. Land or natural resources acquired outside the boundaries of the aforesaid areas shall be held in fee by the respective tribe or nation, and the United States shall have no further trust responsibility with respect thereto. Land or natural resources acquired within the State of Maine for the Houlton Band of Maliseet Indians shall be held in trust by the United States for the benefit of the band: Provided, That no land or natural resources shall be so acquired for or on behalf of the Houlton Band of Maliseet Indians without the prior enactment of appropriate legislation by the State of Maine approving such acquisition: Provided further, That the Passamaquoddy Tribe and the Penobscot Nation shall each have a one-half undivided interest in the corpus of the trust, which shall consist of any such property or subsequently acquired exchange property, in the event the Houlton Band of Maliseet Indians should terminate its interest in the trust.

(4) The Secretary is authorized to, and at the request of either party shall, participate in negotiations between the State of Maine and the Houlton Band of Maliseet Indians for the purpose of assisting in securing agreement as to the land or natural resources to be acquired by the United States to be held in trust for the benefit of the Houlton Band. Such agreement shall be embodied in the legislation enacted by the State of Maine approving the acquisition of such lands as required by paragraph (3). The agreement and the legislation shall be limited to:

that apply to the Passamaquoddy Indian Territory and the Penobscot Indian Territory but not within either the Passamaquoddy Indian Reservation or the Penobscot Indian Reservation;

(C) consistent with the trust and restricted character of the lands, provisions satisfactory to the State and the Houlton Band concerning:

(i) payments by the Houlton Band in lieu of payment of property taxes on land or natural resources held in trust for the band, except that the band shall not be deemed to own or use any property for governmental purposes under the Maine Implementing Act;

(ii) payments of other fees and taxes to the extent imposed on the Passamaquoddy Tribe and the Penobscot Nation under the Maine Implementing Act, except that the band shall not be deemed to be a governmental entity under the Maine Implementing Act or to have the powers of a municipality under the Maine Implementing Act;

(D) provisions on the location of these lands.

Except as set forth in this subsection, such agreement shall not include any other provisions regarding the enforcement or application of the laws of the State of Maine. Within one year of October 10, 1980, the Secretary is directed to submit to the appropriate committees of the House of Representatives and the Senate having jurisdiction over Indian affairs a report on the status of these negotiations.

(e) Acquisitions contingent upon agreement as to identity of land or natural resources to be sold, purchase price and other terms of sale; condemnation proceedings by Secretary; other acquisition authority barred for benefit of Indians in State of Maine

Notwithstanding the provisions of sections 257 and 258a of title 40, the Secretary may acquire land or natural resources under this section from the ostensible owner of the land or natural resources only if the Secretary and the ostensible owner of the land or natural resources have agreed upon the identity of the land or natural resources to be sold and upon the purchase price and other terms of sale. Subject to the agreement required by the preceding sentence, the Secretary may institute condemnation proceedings in order to perfect title, satisfactory to the Attorney General, in the United States and condemn

interests adverse to the ostensible owner. Except for the provisions of this subchapter, the United States shall have no other authority to acquire lands or natural resources in trust for the benefit of Indians or Indian nations, or tribes, or bands of Indians in the State of Maine.

(f) Expenditures for Tribe, Nation, or Band contingent upon documentary relinquishment of claims

The Secretary may not expend on behalf of the Passamaquoddy Tribe, the Penobscot Nation, or the Houlton Band of Maliseet Indians any sums deposited in the funds established pursuant to the subsections (a) and (c) of this section unless and until he finds that authorized officials of the respective tribe, nation, or band have executed appropriate documents relinquishing all claims to the extent provided by sections 1723, 1730, and 1731 of this title and by section 6213 of the Maine Implementing Act, including stipulations to the final judicial dismissal with prejudice of their claims.

(g) Transfer limitations of section 177 of this title inapplicable to Indians in State of Maine; restraints on alienation as provided in section; transfers invalid ab initio except for: State and Federal condemnations, assignments, leases, sales, rights-of-way, and exchanges

(1) The provisions of section 177 of this title shall not be applicable to (A) the Passamaquoddy Tribe, the Penobscot Nation, or the Houlton Band of Maliseet Indians or any other Indian, Indian nation, or tribe or band of Indians in the State of Maine, or (B) any land or natural resources owned by or held in trust for the Passamaquoddy Tribe, the Penobscot Nation, or the Houlton Band of Maliseet Indians or any other Indian, Indian nation or tribe or band of Indians in the State of Maine. Except as provided in subsections (d)(4) and (g)(2) of this section, such land or natural resources shall not otherwise be subject to any restraint on alienation by virtue of being held in trust by the United States or the Secretary.

(2) Except as provided in paragraph (3) of this subsection, any transfer of land or natural resources within Passamaquoddy Indian Territory or Penobscot Indian Territory, except (A) takings for public uses consistent with the Maine Implementing Act, (B) takings for public uses pursuant to the laws of the United States, or (C) transfers of individual Indian use assignments from one member of the Passamaquoddy Tribe or Penobscot Nation to another member of the same tribe or nation, shall be void ab initio and without any validity in law or equity.

(3) Land or natural resources within the Passamaquoddy Indian Territory or the Penobscot Indian Territory or held in trust for the benefit of the Houlton Band of Maliseet Indians may, at the request of

the respective tribe, nation, or band, be--

(D) subjected to rights-of-way in accordance with sections 323 to 328 of this title;

(E) exchanged for other land or natural resources of equal value, or if they are not equal, the values shall be equalized by the payment of money to the grantor or to the Secretary for deposit in the land acquisition fund for the benefit of the affected tribe, nation, or band, as the circumstances require, so long as payment does not exceed 25 per centum of the total value of the interests in land to be transferred by the tribe, nation, or band, and

(F) sold, only if at the time of sale the Secretary has entered into an option agreement or contract of sale to purchase other lands of approximate equal value.

(h) Agreement on terms for management and administration of land or natural resources

Land or natural resources acquired by the Secretary in trust for the Passamaquoddy Tribe and the Penobscot Nation shall be managed and administered in accordance with terms established by the respective tribe or nation and agreed to by the Secretary in accordance with section 450f of this title, or other existing law.

(1) Trust or restricted land or natural resources within the Passamaquoddy Indian Reservation or the Penobscot Indian Reservation may be condemned for public purposes pursuant to the Maine Implementing Act. In the event that the compensation for the taking is in the form of substitute land to be added to the reservation, such land shall become a part of the reservation in accordance with the Maine Implementing Act and upon notification to the Secretary of the location and boundaries of the substitute land. Such substitute land shall have the same trust or restricted status as the land taken. To the extent that the compensation

is in the form of monetary proceeds, it shall be deposited and reinvested as provided in paragraph (2) of this subsection.

(2) Trust land of the Passamaquoddy Tribe or the Penobscot Nation not within the Passamaquoddy Reservation or Penobscot Reservation may be condemned for public purposes pursuant to the Maine Implementing Act. The proceeds from any such condemnation shall be deposited in the land acquisition fund established by subsection (c) of this section and shall be reinvested in acreage within unorganized or unincorporated areas of the State of Maine. When the proceeds are reinvested in land whose acreage does not exceed that of the land taken, all the land shall be acquired in trust. When the proceeds are invested in land whose acreage exceeds the acreage of the land taken, the respective tribe or nation shall designate, with the approval of the United States, and within thirty days of such reinvestment, that portion of the land acquired by the reinvestment, not to exceed the area taken, which shall be acquired in trust. The land not acquired in trust shall be held in fee by the respective tribe or nation. The Secretary shall certify, in writing, to the Secretary of State of the State of Maine the location, boundaries, and status of the land acquired.

(3) The State of Maine shall have initial jurisdiction over condemnation proceedings brought under this section. The United States shall be a necessary party to any such condemnation proceedings. After exhaustion of all State administrative remedies, the United States is authorized to seek judicial review of all relevant matters in the courts of the United States and shall have an absolute right of removal, at its discretion, over any action commenced in the courts of the State.

(j) Federal condemnation under other laws; deposit and reinvestment of compensatory proceeds

When trust or restricted land or natural resources of the Passamaquoddy Tribe, the Penobscot Nation, or the Houlton Band of Maliseet Indians are condemned pursuant to any law of the United States other than this subchapter, the proceeds paid in compensation for such condemnation shall be deposited and reinvested in accordance with subsection (i)(2) of this section.
